

## Sports Premium Funding

2021 - 22

This academic year Woodcroft Primary School will receive £17490 for 2021/22 and carry forward £16249 from 2020/21. This gives a total sports premium of: £33,739. The substantial carry forward was due to cancelation of activities through lockdown.

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport you offer.

This means that you should use the premium to:

- develop or add to the PE and sport activities that your school already offers
- build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
