

Owl Class Homework Menu - Autumn 2 2023

Choose **3** of the 6 tasks (or more if you wish!) to complete during this half term! Return to the homework tray by Friday 16th December.

Shape hunt

How many 2d/3d shapes can you find around your house? Take pictures or draw them in your homework book.

The three little pigs' house

All of the three little pigs' houses have been blown down by the big bad wolf!
Can you build them a new one?
You could use a shoe box or whatever materials you have at home.

Geography

In geography, we will be learning all about maps.
Can you draw a map of your house?
Mark on key places like the kitchen, bathroom and your room.

Science: 5 senses

In science, we will be learning about our 5 senses!

Can you draw a picture of yourself and label the parts of your body related to your 5 senses?

Reading challenge

Read your favourite fairy tale story and retell it to the class.

Fairy tale art

Draw or create a sculpture of your favourite fairy tale character.
