Co-ordinator responsible for the policy in consultation with the staff and governors:
Head Teacher

Reviewed: January 2022

Next Review Date: January 2025

Introduction

The Headteacher is responsible for the management of lettings, in accordance with this policy and may delegate all or part of this responsibility to other members of staff, whilst retaining overall responsibility for the hiring process.

Lettings are arrangements made with members of the community for the hire of the premises outside of normal school hours. Hire charges will be determined by considering the costs involved such as the Site Manager's overtime for locking and unlocking. Any potential profit will be considered in relation to the nature of the letting and the commitment of the school to provide for extended services for the children and local community.

Organisations seeking to hire the school premises should approach the Site Manager or Administration Manager, who is delegated responsibility for the Headteacher, who will identify their requirements and clarify the facilities available. A hiring application form [appendix 1] must be completed.

Once a hiring has been approved, a letter of confirmation should be sent to the hirer, setting out full details of the hiring and enclosing a copy of the terms and conditions of the hire agreement (see further guidance on hire agreement below). The person/organisation applying to hire the premises will be invoiced for the cost of the hire in accordance with the Governing Body's current scale of charges. *(Schools may wish to seek payment in advance in order to reduce any possible bad debts).*

Applications for the hire of premises should normally be made at least three weeks in advance. In general, reservations will not be accepted for dates more than twelve months in advance, except for special events such as those needing extensive preparations.

Aims

We aim to promote use of the school premises in order to develop stronger community relationships and for the benefit of our children and the local community, particularly in the provision of extended services for young people and their families.

Responsibilities

It is the responsibility of the Full Governing Body to:

- Review conditions of hire annually
- Review charges annually

It is the responsibility of the Headteacher to:

- Authorise the hire of the premises
- Agree a charge for each application for hire

- Ensure persons who wish to hire the premises complete and return an Application for Hire Form
- Ensure lettings conform to school policies
- Arrange staff supervision of the premises during lettings
- Ensure that activities and organisers are aware of all current Health and Safety Policies and have undertaken a risk assessment for the activity.

It is the responsibility of the person supervising the letting to:

- Secure the building at the end of the letting
- Ensure that they comply with the school's Health and Safety Policies and report any issues immediately.
- Undertake full risk assessments in accordance with HCC guidelines
- Make sure the school is tidy and secure at the end of their letting
- Use only those resources which have been agreed as part of the letting agreement.
- Ensure that all activities are led by appropriately trained and qualified individuals.
