

Owl Class Homework Menu - Autumn 1 2025

Choose **3** of the 6 tasks (or more if you wish!) to complete during this half term! Return to the homework tray by Thursday 23rd October.

Draw your favourite toy

Practice your sketching skills to draw your favourite toy.

Toys Review

Can you write a review of your favourite toy?

What do you like about it?

What would you improve?

What is it made from?

Who would like to play with toy?

Counting

Can you count how many toys there are altogether in your home?

How many are yours?

How many do you usually play with?

What if you had one more / one less toy?

Toy model

Use recycled materials to create a toy.

This could be a remake of your favourite toy or a new toy you have designed!

Science Search

Research your favourite toy.

What is it made from?

How is it made?

Draw a picture or print out a photograph and label the different materials.

Old Toys

Ask a grown up at home about toys they had when they were growing up.

Have they got any pictures?

How are they different from the toys we have today?
