Traditional tales

What should I already know?

- ◇ Our school is Woodcroft Primary School.
- ◇ We live in England.
- ◇ We can follow a map to get somewhere.

Fieldwork is where you go out of the classroom and look at geographical features.

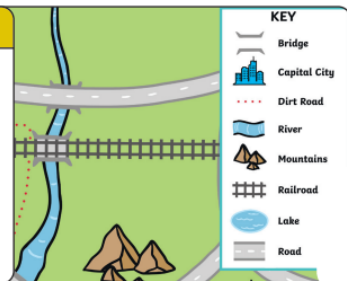

United Kingdom

Maps

- A view from above a place
- Sometimes have a key with symbols
- Show the **distance** between places
- Sometimes have a compass
- Can use colour

Symbols show what different things or places can be found in an area.

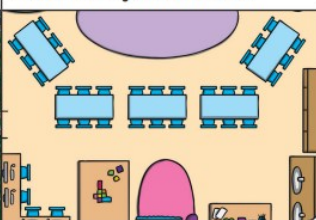

Aerial Photograph

A photograph taken from above looking down.

Aerial Plan

A drawing of what a place looks like from above.

Knowledge:

- * To know that The UK is located on the continent of Europe.
- * To know that physical features are natural and human features are man-made.

continent		One of the earth's large land masses.
country		A political unit or state on a national scale.
Europe		Continent containing 47 countries north of Africa and west of Asia
physical		They are natural. They would be there if there were no people around.
human		They have been built by people.
forest		A large, wooded area having thick growth of trees and plants
field		An area of open land, especially one planted with crops or pasture, typically bounded by hedges or fences.
weather		The way the air and the atmosphere feels.
shops		A place where goods and services are sold
houses		A building used as a home or dwelling
flats		A large building divided into separate living areas
