Please ensure your child has no nut products in their lunch box, this includes all chocolate spreads

This is really important as we have children with severe nut allergies in school.

Safeguarding at Woodcroft

Safeguarding the pupils of Woodcroft is our number one priority. It is the legal responsibility of individuals that work in schools to safeguard pupils. If a child makes a disclosure that may mean they are at risk of harm or have suffered harm, we must report this to Children's Services. As a school, we do not decide what steps are then taken, this responsibility sits with Children's Services or the Police.

Our Designated Safeguarding leads are:

Mr Fanning

Mrs Pink

Mrs Sherwell

Mrs Wilkinson

Mrs Hawkins

What should you do if you suspect a child may be at risk of harm?

Although school staff have a legal responsibility to protect children, we should all raise concerns if we suspect a child may be at risk. Anyone can do this and it can be anonymous. ***If you believe a child is in immediate danger then you should call the police.*** If you have concerns that a child is at risk, but not in an immediate danger then you can make a referral to children's services directly.

To report a concern about a child in Hampshire, you can contact Hampshire Children's Services by:

- **Phone: 0300 555 1384, Monday to Thursday 8:30 AM–5 PM, Friday 8:30 AM–4:30 PM**
- **Out of hours: 0300 555 1373**
- **Email: childrens.services@hants.gov.uk**
