

Year 1

Monsters and aliens

Owls

Apollo 11 Astronauts
 Neil Armstrong
 Michael Collins
 Buzz Aldrin

What should I already know?

- * That history is about things that have happened in the past.
- * A timeline shows the order that events happened.
- * We live on planet earth and there are other places in space.
- * People can travel in rockets into space.
- * Astronauts are people who travel into space.
- * We have seen the moon in the sky.

The life of Neil Armstrong Timeline.

- 1930: Neil Armstrong born.
- 1946: Got his first pilot's licence.
