Autumn 1

Writing

Create a leaflet for people visiting modern Greece including important information. Where is it? What is the weather like? What is the currency? What is the language? Where are the best places to go? What could you do whilst you are there?

Art

Create a sculpture of a Greek temple, like the Parthenon. Try to use a range of materials and make it as accurate as possible.

Reading

The Greeks were famous for their clever thinking and we still remember and use some of their ideas today.
Research a famous ancient Greek and write down 5 facts that you have found out about them.
You could research Aristotle or Hippocrates or, someone for your own choosing.

Y6 Homework

Maths

Who was Pythagoras? How is he linked to maths? What is Pythagoras' theory? Present your Findings as a factual poster. Make sure you use diagrams to explain what you have learnt.

History

Make an A-Z of Ancient Greece. Add an illustration to each of the letters linking to the word that relates to Ancient Greece.

For example:

O = Olympics

DT

Cook some Greek food or a meal. Rate it out of 10 for: taste, smell, ease to make and appearance. Write up the recipe that you use. Include a photo of your creation too.
